Are You Out of Sorts

Many People, Not Really Sick, Are Out of Sorts—The Old-Time Energy and Spirits Are Lacking.

Something is needed to restore that animation that characterized the days before the system had been overtaxed or weakened by care, work, folly, excess or worry. Good, rich blood and strong, steady nerves are essential to perfect health and enjoyment of life. When vitality is lacking, pleasures cease and work becomes a drudge and drag. Blood is the well-spring and nerves the main-spring of the body. With either of them impaired life loses much of its charm. Nothing puts animation and satisfaction into living as quickly, safely and surely as Dr. Chase's Blood and Nerve Food. It soon brings you out of all unnatural mental or physical conditions due to either blood poverty or to nervous enfeeblement. Watch yourself before taking it. This is the food that made the name "Chase" famous. The genuine is made only by The Dr. Chase Co., Philadelphia, Pa. Price 50 cents a box, five boxes, enough to give it a fair trial, \$2.00. Book free.

Sold and guaranteed by E. A. Drown.
